

SARDABUS

Let Your Journey Begin

ABOUT US

We started our engines in 1961, and since then, we never stopped

Today, Sardabus is a well-established company — one of the largest and best-known bus operators in Sardinia — offering a full range of transport services.

Professionalism, quick response, and genuine care for every single customer are the key values of our daily work.

Every year, over 400,000 passengers travel more than 1.5 million kilometers with us, relying on the experience of our fully trained drivers and the safety and comfort of our fleet.

SARDABUS IN FIGURES

- Two bases of operations in Badesi and Porto Torres with in-house workshop facilities
- A fleet of more than 40 vehicles
- A network of over 20 partners across the island
- Long-standing partnership with renowned tour operators, travel agencies and public administrations.
- € 2.5 million in annual sales volume

COACH HIRE FROM 16 TO 56 SEATS

You can choose from a wide range of coaches, with seating capacities from 16 to 56 seats.

Our coaches are ideal for:

- Day sight-seeing tours;
- Long-distance travel ;
- Group tours in Sardinia, Italy and across Europe;
- Private and group transfers;
- Cruise excursions;
- Events and special occasions;
- School trips.

LONG-DISTANCE TOURS IN ITALY AND EUROPE

We collaborate with top tour operators and tourism professionals to plan and operate customized group trips and religious tours across Italy and Europe.

Our professional, highly trained drivers have extensive experience on international routes and have travelled to destinations such as:

France	Spain
Austria	Germany
Bosnia	Czech. Rep.
Slovenia	Croatia
Hungary	Portugal
Poland	Switzerland

TRANSPORT SERVICES FOR CRUISE COMPANIES

With our base of operations in North-West Sardinia, we are ideally located to serve cruise ships docking in Porto Torres and Alghero

Thanks to a flexible booking policy and a fleet of coaches of all sizes, we offer tailored transport solutions, including:

- Shuttle services from port to city centre
- Sightseeing tours
- Private trips for small groups and families

PUBLIC BUS LINES

Sardabus operates 13 public bus lines under license from the Sardinia Regional Transport Department, providing essential mobility services across the region.

Among these, we manage summer routes of particular interest to tourists, connecting popular destinations with a reliable and comfortable transport service:

- Alghero city - Alghero Airport - Stintino
- Badesi - Baia delle Mimose - Li Junchi
- Badesi - S. Maria Coghinas - Valledoria
- La Marmorata - Baia Santa Reparata

PRIVATE TRANSFERS

Reach your dream destination with our comfortable and reliable transfer services from all ports and airports in Northern Sardinia.

- Fleet of 10 luxury minivans (7- and 8-seaters)
- Generous cargo space for luggage and equipment
- Trusted, professional chauffeurs
- Credit card payments accepted

Quality, in compliance with EU regulations

We provide our services with an extensive fleet of modern vehicles – including full-sized Euro 5 and Euro 6 coaches, midi and minibuses, vans and cars – all covered by comprehensive insurance up to €20 million each.

Our experienced, well-trained drivers are employed in full compliance with local labour laws and regulations.

A reliable network of selected partners who share our values and commitment to quality allows us to increase our transport capacity during the high season.

Your safety is our priority:

- In-house maintenance and regular vehicle inspections
- Back-office staff available 24/7
- Fully trained, experienced drivers with years of know-how, constantly in touch with the operations centre
- Services provided in full compliance with Regulation (EC) No. 561/2006 of the European Parliament and of the Council on the harmonisation of certain social legislation relating to road transport
- ISO 9001:2008 certified quality of service
